Luckily, our friends at The Kitchn let us in on a few tips for better ways to cook frozen vegetables. The best part? No thawing is required for either method.

Roasted Vegetables Recipe | MyRecipes Great recipe! My family loves roasted vegetables. Almost any fresh vegetable works well. I tried whole green beans, onions, red, yellow & green bell peppers. After cutting up the onion and peppers, I placed everything in a large plastic food storage bag and added the olive oil, crushed basil, salt & pepper to the bag & mixed it up to coat evenly.
